

Application

Match Loan

The Match Loan gives you (the 'Lead Investor') the opportunity to supplement your investment in early-stage startups with a loan that we match up to 1:1. We trust that you have the skills and experience to identify a good startup. Based on this trust and through our partnership, you can increase your investment, and together we can support the growth of promising startups.

The application form must be completed by the 'Lead Investor' and the Company (the 'Borrower').
The Lead Investor is the primary contact for EIFO (the 'Fund') and may represent a group of multiple investors, including syndicates, family offices, or venture funds (the 'Investors').

Appendix 4: Submission of application and associated documentation

Instructions for submitting an application for a Match Loan

The completed application form must be submitted via the website under the section **Apply Here**. This ensures compliance with our data processing procedures.

To qualify for a Match Loan, the following conditions must be met:

- The Borrower has opted for auditing, as a minimum an extended review.
- The Borrower has accumulated turnover of less than DKK 3 million.
- The Borrower must have positive equity (calculated including subordinated debt) at the time of disbursement.

Furthermore, the Borrower is subject to the de minimis rules (state aid) in the following cases:

- If the Borrower is older than 5 years.
- If the Borrower has acquired assets from other companies.
- If the Borrower is established through a merger.

In cases where the de minimis rules apply, the borrower may be required to submit additional documentation.

All files must be uploaded as separate files.

Please provide all the materials listed below as a minimum requirement. We will only review your application once the full documentation package is submitted.

The application form must always be accompanied by the following as **separate** documents:

- Business plan, actual figures and budget for at least the current financial year and the following year.
- Group ownership chart showing legal owners (holding companies) and beneficial owners (individuals), listing the ownership interests. The group chart must reflect the capital increase.
 - Smaller holdings can be combined with a general description.
 - The capital to be matched must be shown individually.
- Latest approved internal annual reports for the Borrower.
- Personal ID for authorized signatories of the Borrower, i.e. a copy of a driver's license or passport and a health insurance card.
- Personal ID for beneficial owners, if different from the above, i.e. a copy of a driver's license or passport and a health insurance card.

The following documents are to be sent in **separate** files when they are available:

- Copy of up-to-date owner's register for the Borrower (i.e. after the capital increase).
- Articles of association reflecting the capital increase.
- Ownership agreement.
- Documentation of the capital increase in the form of:
 - Minutes of the general meeting.
 - CVR registration (case summary). Remember to update the ownership.
 - Account statement from the bank, detailing account owner, payer and amount.
- For convertible loans, documentation of the loan disbursement and a copy of the loan agreement must be submitted.
 - Also note that convertible lenders participate in the loan agreement as subordinated parties.
 - Information on convertible lenders, as set out in Appendix 1, Table 2, must be provided.

There may be additional documentation and questions required during the processing of the application.

Thank you in advance.
